

Jade Valerie, Living By Numbers

I wanna be your secret cavern
I wanna be where you begin
I just wanna pull you closer
But you never let, you never let
You never let me in

Wanna surround you like a skyline
Wanna be your sweetest sin
I wanna show you what I made of
You never let , you never let
you never let me in
yeah

(oooh)
You 're living by numbers
(oooh)
But you don't need another
(oooh)
Just living by numbers
(oooh)
No, you don't need another

Can I stand by you like a warrior
Can I lend color to your dreams
Can I break down your defenses
Be what you are, what you are
What you are to me

(oooh)
You 're living by numbers
(oooh)
No,you don't need another
(oooh)
You 're living by numbers
(oooh)
you don't need another

I wanna shoot up thru membrane, Love you like a hurricane, Burry all your barricades, Be your she
Become one that you die to defend.
I'm an angel that keeps falling from your grace
But you can't never stop the rain, And you can never play it safe.
You live the 1-2-3 , instead of just loving me

You know you can't break it down to 1-2-3
Life will never be that easy

(oooh)
You 're living by numbers
(oooh)
You don't need another
(oooh)
You 're living by numbers
(oooh)
No,you don't need another

Wanna run like wilds horses
Overcome you like the wind
Just succumb to all my forces
Let me show you how , teach you how
You 're really supposed to live

(oooh)
You 're living by numbers
(oooh)

Oh,you don't need another
(ooh)
You 're living by numbers
(ooh)
you don't need another

(ooh)
Get living by numbers
(ooh)
I don't need ,I don't need too, ooooh yeah
(ooh)
Well I don't need another too

Living by, living by...
