

# Jade Valerie, Lucky Lady

Dear John how you doing?  
Dear John its hard to see you  
So much I could have done for you  
So much I should have said

Dear John I still miss you  
Dear John I should have kissed you  
I'm sorry for my drinking  
And all the drama in my head

California's calling me  
And I'm crying on the phone  
California's wait for me  
Cause I swear I'm coming home

Aeeeeiiiohh  
I'm a lucky lady  
But I aint lucky when I love

Aeeeeiiiohh  
I'm a lucky lady  
But I aint lucky when I love

Dear Matt you were tender  
Dear Matt you remember  
That night we got those cheap tattoos  
And we were dancing soaking wet

Well California's calling me  
But I'm barely holding on  
California wait for me  
Dont leave me here alone

Aeeeeiiiohh  
I'm a lucky lady  
But I aint lucky when I love

Aeeeeiiiohh  
I'm a lucky lady  
But I aint lucky when I love

Yippee yeah yeah  
Yippee yeah yeah  
Yippee  
Yippee yeah yeah  
Yippee yeah yeah  
California Call  
Yippee yeah yeah  
Yippee yeah yeah  
Ohhh hoo  
Yippee yeah yeah  
Yippee  
Yippee yeah yeah  
Oooh  
California  
California Love  
Aeeeeiiiohh  
I'm a lucky lady  
But I aint lucky when I love

Aeeeeiiiohh  
I'm a lucky lady  
But I aint lucky when I love

Aeeeeiiiohh  
I'm a lucky lady  
But I aint lucky when I love

Aeeeeiiiohh  
I'm a lucky lady  
But I aint lucky when I love
