

Jade Valerie, Lucky Lady

Dear John how you doing?
Dear John its hard to see you
So much I could have done for you
So much I should have said

Dear John I still miss you
Dear John I should have kissed you
I'm sorry for my drinking
And all the drama in my head

California's calling me
And I'm crying on the phone
California's wait for me
Cause I swear I'm coming home

Aeeiiiiohh
I'm a lucky lady
But I aint lucky when I love

Aeeiiiiohh
I'm a lucky lady
But I aint lucky when I love

Dear Matt you were tender
Dear Matt you remember
That night we got those cheap tattoos
And we were dancing soaking wet

Well California's calling me
But I'm barely holding on
California wait for me
Dont leave me here alone

Aeeiiiiohh
I'm a lucky lady
But I aint lucky when I love

Aeeiiiiohh
I'm a lucky lady
But I aint lucky when I love

Yippee yeah yeah
Yippee yeah yeah
Yippee
Yippee yeah yeah
Yippee yeah yeah
California Call
Yippee yeah yeah
Yippee yeah yeah
Ohhh hoo
Yippee yeah yeah
Yippee
Yippee yeah yeah
Oooh
California
California Love
Aeeiiiiohh
I'm a lucky lady
But I aint lucky when I love

Aeeiiiiohh
I'm a lucky lady
But I aint lucky when I love

Aeeiiiiohh
I'm a lucky lady
But I aint lucky when I love

Aeeiiiiohh
I'm a lucky lady
But I aint lucky when I love
