

Jade Valerie, No You Don't

No, you don't
I ain't gonna let ya
I'm alright
No, you don't
Only good boys get to make me cry

Silly you
You ain't nice you know, ain't nice to me at all
Silly you, silly boy
Did you think I' fall that easy for you?
I ain't looking for bad one night stands
No I ain't looking for your kind of man
Silly you, Silly boy,
Do you think you're my greek tragedy?
Oh no
My tears are few

No, you don't
I ain't gonna let ya
I'm alright
No, you don't
Only good boys get to make me cry
No, you don't, you don't
I ain't gonna let ya
I'm alright, I'm alright, I'm alright
Only good boys get to make me cry

You're a man
And I don't expect much more than that from you
You're a man oh man
And stupid boys will do they what they will do
I weigh in heavy in this kind of game
I'm free as girl, and I'm stronger than fame
I don't sweat the stress
I don't go down easy boy
Oh no

No, you don't
I ain't gonna let ya
I'm alright
No, you don't
Only good boys get to make me cry
No, you don't, you don't
I ain't gonna let you
I'm alright
No, you don't
Only good boys get to make me cry
I'm alright, I'm alright
Only good boys get to make me cry
