

# Jag Panzer, Three Voices Of Fate

(Briody / Conklin)

MacBeth, MacBeth, beware MacDuff  
Beware the Thane of Fife. Enough!

(MacBeth)  
Where didst thou leave? Yet give warn  
Why fear MacDuff? I need hear more!

Ye Macbeth you're kingship will stay  
Til Birnam wood shall meet Dunsinane

(MacBeth)  
Live on MacDuff, why should I fear  
You too must die, My guilt to clear

I am MacBeth! I will stand strong! And forever reign

Laugh in the face of men who come to slay thee  
No one of woman born may lay hands against thee

(MacBeth spoken)  
"Then I will slay MacDuff and his family anon"

I am MacBeth, none will defy, even MacDuff  
I seal a bond to rid this earth the name MacDuff

(MacBeth)  
Time is now to strike his family down  
I hear MacDuff has left them all alone  
No talk of murders and dead  
Retain the crown upon my head

I am Mac Beth. All testify I will survive  
I crush the words those who defy. None left alive
