

Jagged Edge, Get This

[Intro:]

J.E ya'll

Girl I love the way you

I love when you make them sounds, yeah

Ya-dee, ya-dee, ya-dee, ya

That's how it's goin' down

I love the way you

It's for you, yeah, come on

[Chorus:]

Said I love when you make that sound

Love when you callin' out my name

Lemme hear you say, get this, get this

And I love when you do that thing with your lips

When your callin' out my name

Lemme hear you say, get this, get this

[Verse 1:]

Anything I say do, she do

She do it just how I like

We get it crackin' every night, in my bedroom

I love it when she grab my neck

And says "get this boy, it's yours now"

And I can't lie

Whenever I hear that girl

I'm goin' crazy, crazy

Puttin' in work like someone paid me, paid me

See they can't take me away, away from ya

I was put here on this earth for you

That I know is true, yeah, yeah, yeah

[Chorus:]

Said I love when you make that sound

Love when you callin' out my name

Lemme hear you say, get this, get this, oooh

And I love when you do that thing with your lips

When your callin' out my name (When your callin' out my name)

Lemme hear you say, get this, get this

[Verse 2:]

Baby everything that I say is true

I stick to you like glue

Girl, me you can't lose, nothin' like you

Your so irreplaceable, just lettin' you know

Your deservin' the world, let me give it to you

Oooh, girl you go far away, and away and away

I'll be sittin' here waitin on, waitin on, you you

Whatever it takes to hold you down, I got you girl

It's the many little things I love, you

[Chorus:]

Said I love when you make that sound

Love when you callin' out my name

Lemme hear you say, get this, get this, baby

And I love when you do that thing with your lips

When your callin' out my name

Lemme hear you say, get this, get this

[Chorus:]

Love when you make that sound

Love when you callin' out my name

Lemme hear you say, get this, get this

Whatever you want
And I love when you do that thing with your lips
When your callin' out my name
Lemme here you say, get this, get this
