

# Jagged Edge, Lets Get Married

See, first of all

I know these so-called playas wouldn't tell you this  
But I'm a be real and say what's on my heart  
Let's take this chance and make this love feel relevant  
Didn't you know I loved you from the start, yeah

When I think about  
All the years we've put in this relationship  
Who knew we'd make it this far  
Then i think about  
Where would I be if we were to just fall apart  
And I can't stand the thought of losing you

## CHORUS

Meet me at the altar in your white dress  
We ain't getting no younger, we might as well do it  
Been feeling you all the while girl I must confess  
Girl let's just get married  
I just wanna get married

## REPEAT

Said I done it all  
But frankly girl I'm tired of this emptiness  
I wanna come home to you and only you  
Cause making love to just anyone ain't happening  
I just gotta be with you

Do you think about  
Us finishing somethin we started so long ago  
I wanna give you my all  
Do you think about, maybe us having some babies?  
Come on won't you be my lady  
Forever, yeah

I'm ready to, commit to you  
And I just can't wait for that night  
Cause I need you here with me  
And let's start a family

repeat chorus 4x
