

Jaguares, Te Lo Pido Por Favor(I Beg Of You)

Wherever you are today and forever
I want you with me
I need to be taken care of, i need you
If i happen to leave, no matter where i go
I take you with me
Don't let me go alone-i need you
You know how to take care of me, you
Know how to guide me
Everything you do, you do it fine
Your goodness is your virtue
How can i repay you
For everything you do
For my happiness, and this great love
We share
Only with my life
Take my life, it's yours
Just say you'll never leave me
Ever, i beg of you
You know how to take care of me, you
Know how to guide me
Everything you do, you do it fine
Your goodness is your virtue
How can i repay you
For everything you do
For my happiness, and this great love
We share
Only with my life
Take my life-it's yours
Just say that you'll never leave me
Ever, i beg of you
I beg of you-oh no
