All my ladies, all my ladies now

Cure again, yeah I

Anytime you need a lover call on me, my heart is aching

Call on me, anytime you want to

Call on me baby girl I want you

[Verse 1: Jah Cure]

We grew together from way back when

She was nine and I was ten

She used to be, my next door neighbour

She even went to school with my sister makayta... yeahh

Now were two grown folks, years gone by and we still keep close

Loving me, I'm loving her... the same

I just want you to know that I love you soo... ohhhh

[Chorus:]

Anytime you need a lover call on me, I'll be waiting

Anytime you need a lover call on me, my heart is aching

Call on me, anytime you want to

Call on me baby girl I want you (want you)

Ah huh (want you)

[Verse 2: Keyshia Cole]

Loving like they say the same

We were young and playing games

I fell in love the first time I saw you

And I don't ever worry cause I know can call you... yeahh

Now were two grown folks, years gone by and we still keep close

He's lovin me, I'm lovin him the same as

[Chorus:]

Anytime you need a lover call on me, I'll be waiting

Anytime you need a lover call on me, my heart is aching

Call on me, anytime you want to

Call on me baby boy I want you

[Bridge: Jah Cure]

Now we've reached so far (reached so far)

We won't turn back again (yeah I)

Love, lovin you (lovin you)

There is no enddddddd

Lovin you

[Chorus:]

Anytime you need a lover call on me, I'll be waiting
