Getyoshitout: Tell me what you're all about  
Gotta get your shit out faster  
Quicker than that quick cook pasta  
Oren's gonna chop his rastas  
Get a job in a bank und das war's!  
Gotta be the longest laster  
Slave round the clock get plastered  
Write to the beat get plastered  
Pay for it all on my master.  
Gotta get your shit out swift swift  
Move up in the line on the list list  
Gotta keep you up on your tip toes  
Not slack at the back with the slow folk  
Now you gotta be nippy and smart  
Quick wit, breakneck, sharp little tart  
Slimy little pop bitch scheming little fart  
Just do it like that, don't take it to heart  
Quick - it's gon be a hit  
Quick Top of the Pops hit  
Quick gotta get the remix  
And when you hanging at parties  
you better have your long speech  
Promo tricks up your sleeve  
Name drop kicks you better believe  
Gotta do your promo real quick  
Gotta come across real real slick  
Slicker than the dude who's next to you  
Who's slick from the line of coke in the loo.  
Everybody's lookin at who's who  
Sliming on down with the hip in crew  
Thanks for the line love XX  
I'll drop you a line love XX  
Everybody's hangin' out in the loo  
Monologue friends out of the blue  
On Monday it's like ... who the hell are you,  
On Friday it's like ... don't I know you?
