

Jaheim, Just In Case (Remix)

(feat. Nas)

[Intro: Nas]

Pimp on pimp.....uh remix

A Divine Mill presentation, yeah, just in case

World get ready, Nas, Jaheim, yeah, two thousand two

[Verse 1: Nas]

Yo! Pretty as Dawn, the city is mine

Buss it you rap fools clappin like we Diddy and Shyne

Tattoo across the stomach spells Godson

I'm from the jungle like Tarzan hundred spots sparkin

Wan't it with Nas I'm right here, all you talk is paper

I chalk this playa, roght where you standin

This the anthem I had to be on it

Callin Divine Mills office asking Kay Gee where the boss at?

Tell him it's the God on the line

Yo the streets is buzzin with Stillmatic and the artist you signed

Now we workin in the studio late

Layin some vocals to pro to, we ain't never using no napes

Thinkin bout musical great from Marvin to stevie

Wonder ten years where will Nas and Jaheim be?

Just in case I don't make it, my girl better rep me

She know I was a thug when she met me, yo

[Jaheim]

I'm a hustler baby look at me

Got the streets locked baby loot at the grill

See the hate now baby imagine me

Pushin weight now baby gotta skate now baby

And it's all for you, boo I'll ride for you

Cause I wan't the best for you

Took a bullet in the chest for you, yeah yeah

[Chorus: Jaheim]

Just in case, I don't make it back from the block cause it's hot now baby

Just in case, I left the keys to the drop and the cash in the lockbox girl

I wan't to let you know, I'm a be a man I'm a do what I got to do

But just in case, I'm a make it home girl I'll be missing you

[Verse 2: Jaheim]

Now don't cry now lady, cause you the reason why now lady

Gotta hold it down for Ja now baby

But I gotta take this route now lady

And it's all for you, boo I'll ride for you

Cause I wan't the best for you

Take a bullet in the chest for you

[Chorus: Jaheim]

Just in case, I don't make it back from the block cause it's hot now baby

Just in case, I left the keys to the drop and the cash in the lockbox girl

I wan't to let you know, I'm a be a man I'm a do what I got to do

But just in case, I don't make it back I don't make it back, girl I'm gone miss you

Just in case, I don't make it back from the block cause it's hot now baby

Just in case, I left the keys to the drop and the cash in the lockbox girl

I wan't to let you know, I'm a be a man, oooh oooh baby!

But just in case, I don't make it back I don't, I don't just in case

[Verse 3: Nas]

Yo I gave away cars and jewelry for less attention

They think they know Nas from QB

I'm sick of dodgin groupies less is more

Few MC's got jealous that's expected God

But a, that's the life that a hustler leads

Plenty ice on my wife stay custom veese
See I rock everything Yankeeese, every chain brand new spankin
Jumpin out them jeep Lincolns
Fans in the streets wavin, spectators it's a few hatin
Most just stand in amazement
Whispering the kid is a messenger
Knucklegame like Hurricane was a pimp like Hefner
Till shorty canged my life I changed my cell
Even let her answer when it rings at night
And I'm a gangsta, pop bottles with my team
And my queen, remix Nas and Jaheim

[Chorus: Jaheim]

Just in case, I don't make it back from the block cause it's hot now baby
Just in case, I left the keys to the drop and the cash in the lockbox girl
I wan't to let you know, I'm a be a man I'm a do what I got to do
But just in case, I'm a make it home girl I'll be missing yo
