

Jaheim, Looking For Love

You alright, alright
I been, I been
Yeah, yeah, yeah, yeah, yeah, oh no
10 after 8, I'm runnin' late
I jumped in my ride headed down the west side
I picked up the phone is my shorty home?
See I saw you and the brother last night
And you were lookin' rather fine
You're fine as wine, you blew my mind
And I was hopin' that we'll get together tonight
Girl I really don't wanna sound conceited,
But I'm the type of guy you need to be with
I've been

[1:]
Looking for love in all the wrong places
Been around seen a lot of pretty faces
But I know that I'm the one for you
Only lying I would do is in the bed with you (but)
You've got a brother feenin'
And baby you know what I'm meanin'
Girl I hope that you are soon to see
That you and I were meant to be baby
Now here we are flossin' in my whip,
Things are getting heated
Time I get a grip,
I, can't play myself, won't lose my cool
See I refuse to let you down
Like those other fools did,
I only wanna give ya what you missin'
Good lovin' when you want it
Is what I'm givin' baby
Now if it's cool with you, it's alright with me
Let's take this back to the way love
Supposed to be
Cause I

[1]
Know what you want, I got what you need
Been lookin' for somebody to put down on my team (now)
Baby girl you got me flippin' out
So full of drama won't you tell me
What it's all about
I'll take my time, I'll make you mine
Could of bounced on you girl
But your ass is too fine
Never thought that I'll be lovin' you
You got me feenin' girl
I'm stuck on you
