

# Jahiem, Backtight

Lookin back on all i put you thru  
to much of a thug nigga to tell you that i love you (i love you)  
i know that i made mistakes been hopein and prayin that it aint to late  
thought i had my game tight thought i had it lockdown knew when shit wasnt right  
now you want to blow before i let you go theres something you just gotta know

(chorus)

aint nothing stopin me from gettin backtight wit you  
go head and dip you got tha right to if i gotta roll up my sleeves  
and fight for you ill stand outside in rain all night for you  
aint nothing stopin me from gettin backtight wit you  
go head and dip you got tha right to if i gotta roll up my sleeves  
and fight for you ill stand outside in the rain all night

three months three weeks two days its tha same shit shorty she aint havein it  
back then i wasnt serious makein so much paper kept em curious  
chickens cluckin everywhere i didnt care thinkin to myself that you'll always be there  
used to makein love to ya lady i wouldnt rather be pushin my mercades

(chorus)

aint nothing stopin me from gettin backtight wit you  
go head and dip you got tha right to if i gotta roll up my sleeves  
and fight for you ill stand outside in rain all night for you  
aint nothing stopin me from gettin backtight wit you  
go head and dip you got tha right to if i gotta roll up my sleeves  
and fight for you ill stand outside in the rain all night  
(repeat chorus)

if tha sun was to fall and tha stars was to lose they shine  
i'd be content with it all as long as your bay myside girl  
thru tha good thru tha bad thru it all girl i need ya back  
ill always be with you just want to please you

(repeat chorus 2 times)
