

Jahiem, Read, Willing & Able

Baby I'm ready and willing cause I'm able to satisfy your fantasy
Baby I'm able and willing cause I want it, you can get just want you need

For one I'm a young man and I'm taking the time to do things right
Keeping you satisfy all through the night
Twice I've let you slide
I just went for the ride
And I didn't put pressure on you
I stood by your side
I just want let you know that I'm ready
To do all the things you want me too
Yes I am baby
And if you don't mind baby lets take it easy tonight
Lets slow it down to my pace
Loving all up in your face

Baby cause I'm ready and willing cause I'm able to satisfy your fantasy
(I want to satisfy you baby)
Baby I'm able and I'm willing cause I want it
You can get just want you need (Oh yeah)

Now wait a minute baby slow it down to my speed (slow)
Haven't I always given you everything you need (oh yeah)
But now its time girl to lay it all on the line
I don't want get fast with you baby
I spent too much time
Just trying to get to know you better
Sent you flowers with a loving letter
Take you out to dance
All of that romance
Did those things you like
Stood right by your side
If you want to make it right girl
Just let me inside your world
I will never let go
Cause I want to show you all that I have in store

Baby I'm ready and willing cause I'm able to satisfy your fantasy
Baby I'm able and willing cause I want it, cause you can get just want you need
Jah, Jah got it Baby

Chrous:
