

# Jailbird, N.W.O.

A bird is there offering you a chance  
to find salvation again  
outside your dreams.  
The animal spirit lives forever  
in your mind and in your heart.  
Answer the call!  
Capture the spirit of the crow,  
messenger of Heaven.  
Be awake to the traveller of the sky.  
Dream of the spirit world  
when death is bringing salvation  
and understanding.  
Then,  
you'll realize that Heaven  
has opened its doors ...  
... only for you.
