

# Jaime Jamgochian, Glorious King

Can words explain how I adore You  
Can colors paint beauty like You  
Creation testifies  
Of Your wonder and Your might  
How good, how great, how wonderful You are

All the earth stands amazed at Your fame  
Every heart born to worship Your name  
Angels dance and the ocean will sing  
For our glorious King

Before Your throne I cry Holy  
For You alone are my glory  
I'm falling at Your feet  
In awe of Majesty  
And worship like the tide is rushing in

Unchanging, unfailing  
Your love has captured me  
My Father, my Savior  
Glorious King
