allow me to mention my intention thats in store for u!
jus turn out the light, get ready tonite, i'll show you wat to do.

you make me feel good
so good
real real good (x 2)

(chorus)
take control let it flow ay ay ay ay
hit me low nice and slow ay ay ay ay
makin beats till im weak ay ay ay ay
let your body swing to me ay ay ay ay

can i make a confession
wheres the question that i have to ask?
can we take it slowly
get to know me
or just make it
so open the door
come in for more
if you can take the heat
yeh that was for me
so let me be your private fantasy

you make me feel good
so good
real real good (x 2)

(chorus) x 2

as i approach the roase
and im racing your pulse

keep it nice and clear
from my pen to the mic
