

Jakalope, Intervention

Why do you
Drive me crazy
This disturbing
Cemetery
Where you had
To go unbury
You brought it up
So listen carefully

Prick the needle and
Let the ink in
Watch it sink in
Under my skin
Drivin' me crazy

You think that
I'd have thicker skin
Since you're underneath it
But I'm paper thin

Prick the needle and
Let the ink in
Watch it sink in
Under my skin
Drivin' me crazy

You don't know
What makes me tick
I almost forgot
That you exist

Prick the needle and
Let the ink in
Watch it sink
Under my skin
Drivin' me crazy
