

# Jake Bugg, About Last Night

It's clear now that it wasn't in my head  
it's getting worse now 'cause you're not lying in my bed  
a bit too late now, I let them see that side of me  
and yesterday still lingers like the bruises on my fingers  
Took me blindly, the way he grabbed you by the hand  
and looked right through me, like a shadow of a man  
with a kind of cruelty, couldn't stand a chance  
and his blurry face still lingers like the bruises on my fingers  
The yellow lights I'm chasing are caught in a spiral  
and my lover watched me fall from a man to a child  
I could see her let me go in the drop of her smile  
now it's 7 in the morning and I can't breathe

My my about last night  
I know i lost my mind to jealousy  
My my about last night  
I want you on my mind,  
Jealousy  
Hopelessly in love  
Darling, don;t you eave me  
Got me hoplessly in love  
Baby, please bilive e  
My my about last night  
I always win the fight  
It's you and me
