Jake, Crazy

Oh yeah---

VERSE ONE:
Yesterday I saw you look at me
There was something in your smile
I didn't see before
Baby, now I see you in a different light
And I just can't do anything
To get you off my mind

CHORUS:
Girl, you make me go crazy thinking about you
I really wanna let you know
That I go crazy when I think about you, oh yeah
You make me go crazy thinking about you
I really wanna let you know
That I go crazy when I think about you

Think about you, oh yeah---

VERSE TWO:
Yesterday just seems so far away
When you were just another pretty face to me
I used to only think about you once in a while
But now I can't do anything
To get you off my mind

(repeat chorus twice)

Think about you, oh yeah---
Think about you, uh-huh
Oh yeah---

I go cra---zy, crazy, crazy, yeah

I go crazy when I think about you
