

Jake, Let Me Know

(Let me know what I should say to you)
Oh yeah--
(Let me know what I'm supposed to do)
Tell me what to do, oh---
(Let me know what I should say to you)

VERSE ONE:

Baby, I've been waiting so long
And I can see what's going on
I've gotta tell you how I feel
This time it's got to be for real
'Cause I'm feeling so peculiar
When I see somebody else with you
And you know my head is turning
And it's time for me to make that move

CHORUS:

So baby, let me know what I should say to you
Just tell me what it is that I'm supposed to do
'Cause I'm falling apart on my own
Without you every day

(So tell me what to do)

VERSE TWO:

Baby, when I close my eyes
I picture you inside my mind
I think about you all the time
Girl, why don't you just give me a sign
'Cause I never understood it
Baby, why you made me wait so long
And I've got to get to know you
'Cause the feeling's getting oh-so-strong

(repeat chorus)

Oh---
Whoa---

(repeat chorus x2)

So tell me what to do, oh---
(Let me know what I should say to you)
Oh yeah---
(Let me know what I'm supposed to do)
Tell me what to do, oh---
(Let me know what I should say to you)

Baby, let me know what I should say to you
