

Jake Owen, Kiss You Good Morning

Verse 1

I was good at the game, when i had
nothin to lose, then you started playin,
it changed all of the rules,
i stole my share of good hearts in the night, then vanished before the dawn,
and for the first time in my life, i know exactly what i want..

(Chorus)

I wanna kiss you good morning, its not late,
its one end in good night, its just the start of our story,
and the ending is nowhere in sight,
i wanna hold you all night, and the first sign of light,
every day for the rest of my life, from now on,
i wanna kiss you good morning..

Verse 2

Its never been me, to open every door,
or leave little notes, or spill my heart on the floor,
i wanna cross that secret line, that says now were more than friends,
i wanna drink that lovers wine, fall asleep and then...

(Chorus)

I wanna kiss you good morning, its not late, its one ending in good nite,
its just the start of our story, and the ending is nowhere in sight
i wanna hold you all night, and the first sign of light,
every day for the rest of my life, from now on,
i wanna kiss you good morning...

Verse 3

Theres no better way than to start everyday lyin next to the one you love,
so baby at night you can close your eyes,
and tomorrow when you wake up,well im gonna kiss you good morning,
im gonna hold you all night, and the first sign of light,
everyday for the rest of my life, from now on,
im gonna kiss you good morning, yea yea...
