

Jake, Raining

Uh-huh
Yeah---
C'mon
Everybody, everybody

VERSE ONE:

In the desert, I need Your rain
Won't You help me out of this pain
I look up at the sky
I'm so thirsty and dry
I've been wandering for so long
And I know my strength is all gone
And I wonder why
Lord, I just want to feel You...

CHORUS:

Raining down on me (I want it)
Everything I need (You got it)
Falling at Your feet (You know I)
Want to have You in my life 'cause
Everything I need (You got it)
You make me so complete (I want it)
Falling at Your feet (You know I)
I can feel You raining down on me

VERSE TWO:

Lord, You know that I need Your touch
I just can't seem to get enough
Open up my mind
Won't You show me a sign
Let Your love rain down on my soul
River running out of control
Flowing deep and wide
Lord, I just want to feel You...

(repeat chorus)

BRIDGE:

I want to tell You
That I can feel You
(Raining down on me)
I feel emotion
It's like an ocean
(Raining down on me)
Put Your arms around me
Come on, and feel me
(Raining down on me)
Everybody, everybody

Look up to the sky because it's...

(repeat chorus)
(repeat verse one)
(repeat chorus)
(repeat bridge)
