

Jake, The Right Time

VERSE ONE:

I don't think anyone can see me
I don't feel anyone is there
To catch me if I fall
And I can't help but hide myself
Longing for the arms of Jesus
Waiting for the One I love
To whisper in my ear
And tell me I am loved again
I feel You inside of me, I'm not alone

CHORUS:

It's the right time to feel Your love again
'Cause they can't see me
And they don't wanna let me in
But You are smiling 'cause You know where I began
And I know it's time
To feel Your love again

Oh---

VERSE TWO:

I never thought that I was worth it
I never thought that I deserved
This love I feel inside
I thought that I was by myself
But You know everything about me
You look deep inside
The motion picture of my life
And even if I fall again
I know You'll be there for me, to take me home

(repeat chorus x2)

Yes, I know, oh---

I need to feel Your love---
I need to feel Your love---
I need to feel Your love---

I know it's time

Oh---

Oh---
