

# Jam And Spoon, Find Me

This one goes out to the one I love...

I took a ride on a fairytale road  
I lost my heart there once  
now I want it back...  
I want It back...  
I thought that love is a cool and dice  
Now I am the fool cause its not like that...  
Now I feel regress...

But...

I'm not gonna tell you what I want  
I'm not gonna show it to you  
Find me baby, oh no no  
Find me baby, oh no no  
I'm not gonna show you what I need  
I'm not gonna give that to you  
Find me baby, oh no no  
Find me baby, you got to  
Find my heart  
Find my heart  
Find me baby, oh no no  
Find me baby, oh no no  
Find my heart  
Find my heart  
Find me baby, oh no no  
Find me baby, oh no no

That' s higher love on the one way  
That' s more than that on the other  
Should I decide  
Could I decide...

You never know what I want so  
Takes all my spirit to turn on the  
Cuddle lights

I turn on the cuddle light..

But...

I' m not gonna tell you what I want  
I' m not gonna show it to you  
Find me baby, oh no no  
Find me baby, oh no no  
I' m not gonna show you what I need  
I' m not gonna give that to you  
Find me baby, oh no no  
Find me baby, you got to  
Find my heart  
Find my heart  
Find me baby, oh no no  
Find me baby, oh no no  
Find my heart  
Find my heart  
Find me baby, oh no no  
Find me baby, oh no no

This one goes out to the one I love...
