

Jamai, I'll Be The One

I'll be the one
I'll be the one
I promise I will say those words you love to hear

Here I am, alone again
Out of love, there's so much pain
Tell me girl, where we went wrong
Because with me, is where you belong

Yes I believe, you and me
just give me time to prove it
Yes I will do , anything for you
and give you what you really need

And I will be the one to hold you when you're sad and lost
Bring you to a private place no matter what it costs
I'll promise I will say the words you love to hear
Oh baby
I'll be the one

Did you go
you run again
It's not your fault and no one's to blame
you need me girl, to hold you close
I won't let go, when you need me the most

Yes you and me are ment to be
Just give me time to prove it
Come to me and I will make you see
and give you what you really need

And I will be the one to hold you when you're sad and lost
Bring you to a private place no matter what it costs
I'll promise I will say the words you love to hear
Oh baby
I'll be the one

I will be the one to hold you when you're sad and lost
Bring you to a private place no matter what it costs
I'll promise I will say the words you love to hear
Oh baby

I sit alone and wonder why
All you have to do is try
I'm waiting for your touch..
I need you so much
Wow!

I'll be the one
I'll be the one
I promise I will say those words you love to hear

Oh I promise I will say those words you love to hear
Wooh Baby, I'll be the one!

I will be the one to hold you when you're sad and lost
Bring you to a private place no matter what it costs
I'll promise I will say the words you love to hear
Oh baby
I'll be the one
