Jamai, Wildest Dreams

You, go around in circles in my mind wondering were yoyu are toninght I have a dream your in my life that your lying here it's allright

you don't see the smile, that's in your eyes how deep of love and feeling it's making me believing

chorus

maby i can hold you baby i can show you like a river on it through your heart don't know where to start to find the words to tell you that i love you with my hopes around you only when i close my eyes do you realise that is only in my wildest dreams

ooh open ups the door into your life only you can let me in tonight you want believethe joy you bring to me your the sun. the moon revolve in my world

tell me, if it's only make believing you may be my destiny could you feel the same for me

chorus

only in my wildest dreams
