

Jamal, Unfuckwittable

Layin' in my bed

Thoughts of you fill me head
Here all alone, won't go to sleep
Coz I havn't heard the telephone
Ring, ring yet?
I ain't gonna sweat
You said you will not, bet'cha might
Say there ain't no reason not to call me tonight
Don't forget to call me
Call me tonight
Don't forget your baby
Baby's waiting for your call
Don't forget to call me
Call me tonight
Gotta let me know if your alright
Oh yeah, don't forget to call your boo tonight
No No
I can't come around
And see my boo right now
I wanna hear your voice
But you've got to make the choice
Its getting late, and I'm still waiting
Mind is racing, anticipating what you got to say
Now don't forget to call your baby girl today
Don't forget to call me
Call me tonight
Don't forget your baby
Baby's waiting for your call
Don't forget to call me
Call me tonight yeah yeah
Gotta let me know if your alright (let me know)
Don't forget to call your boo tonight
No No
It ain't so hard, pick up the phone
Call your girl, she's alone, give her a call
No matter whos at fault, know that she is on your mind
Her number ain't so hard to find
If your alright, let her know tonight
Don't forget to call me
Call me tonight
Don't forget your baby
Oh baby's waiting for your call
