

# James Arthur, A Year Ago

I miss you  
Your names still on my coffee cup  
I miss you  
The way you chose the films we watched  
I miss you babe  
If only I had told you that before  
maybe I would never have to miss you  
Singing by the kitchen sink  
I miss you  
Not knowing I was listening  
I miss you babe  
You embody everything that I am not  
And now I'm just somebody you forgot

I wish it was a year ago  
I wish that could hold you close  
Now I'm driving past your house I know  
The lights are on you're not alone  
I wonder if you're making eyes  
I wonder if he loves you like the way you said that only I could do I wish that I could tell you  
that I miss you

I miss you  
The way you left my car a mess  
I miss you  
The way you took up half the bed  
That empty space  
Reminds of the things that I am not  
Now I'm just somebody you forgot

I hope you're well  
I can't help myself

I wish it was a year ago  
I wish that I could hold you close  
Now I'm driving past your house I know  
The lights are on you're not alone  
I wonder if you're making eyes  
I wonder if he loves you like the way you said that only I could do I wish that I could tell you  
that I miss you  
I wish that I could tell you that I miss you

I wish it was a year ago  
I wish that I could hold you close  
The way you said that only I could do  
I wish that I could tell you that I miss you
