

# James Arthur, Say You Won't Let Go

I met you in the dark  
You lit me up  
You made me feel as though  
I was enough

We danced the night away  
We drank too much  
I held your hair back when  
You were throwing up

Then you smiled over your shoulder  
For a minute, I'm stone cold sober  
I pulled you closer to my chest  
Then you asked me, to stay over  
I said, I already told you  
I think that you should get some rest

I knew I loved you then  
But you'd never know  
'Cause I played it cool when I was  
Scared of letting go  
We've come so far my dear  
Look, how we've grown  
I wanna stay with you  
Until we're grey and old  
Just say you won't let go  
Just say you won't let go

I'll bring you coffee and  
Kiss on your head  
I'll take the kids to school  
Put them to bed

Then you smiled over your shoulder  
For a minute, I forget that I'm older  
I wanna dance with you right now  
Then you look over your shoulder  
And every day you get a little better  
I wanna dance with you right now

'Cause I'm gonna love you till  
My lungs give out  
I promise till death we part  
Like in our vows  
Yeah, we've come so far my dear  
Look how we've grown  
And I wanna stay with you  
Until we're grey and old  
Just say you won't let go  
Just say you won't let go

Just say you won't let go  
Oh, Just say you won't, say you won't, say you won't  
Say you won't, say you won't let go  
Just say you won't let go  
Just say you won't let go  
Just say you won't let go  
Say you won't let go
