

# James Blake, I'll Come Too

i am gonna say what i need  
if it's the last thing I do  
I do/3x

I am in that kind of mood  
I've thrown my hat in the ring  
I've got nothing to lose  
whit you /3x

I am in that kind of mood  
I'll go under you wing  
I'll slot right n between you and him  
I don't wanna go home  
shall we drive from zone to zone?  
I wouldn't do this on my own  
but I am not on my won tonight  
you're going to New York?

I am going there  
why don't I come whit you?  
you've changer to L.A.?  
I am going there, I can go there too  
I am gonna say what I need

i am gonna say what i need  
if it's the last thing I do  
I do/3x

I am in that kind of mood  
I've thrown my hat in the ring  
I've got nothing to lose  
whit you /3x

I am in that kind of mood  
I'll go under you wing  
I'll slot right n between you and him  
I don't wanna go home  
shall we drive from zone to zone?  
I wouldn't do this on my own  
but I am not on my won tonight  
oh, you going to the brink?

I am going there  
i am gonna say what i need  
if it's the last thing I do  
I do/3x

I am in that kind of mood  
I've thrown my hat in the ring  
I've got nothing to lose
