

# James Blake, Voyeur

I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.

'Cause I am flawed  
When I am through those doors  
'Cause I am flawed  
Times unsure  
I should do whatever will make you feel so cure

I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.

If I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.
