

James Blake, You're Too Precious

so now, now, so now, so now
so now, now, so now, so now
you're too , you're too, you're too precious
you're too, you're too precious
so now, now, so now, so now
so now, now, so now, so now
it looks, it looks,
it looks, it looks,
it looks like
you're too, you're too precious
you're too, you're too precious
