

# James Blunt, Bad day

Where is the moment when we needed the most  
You kick up the leaves and the magic is lost  
They tell me your blue skies fade to grey  
They tell me your passion's gone away  
And I don't need no carryin' on  
You stand in the light just to hit a new low  
You're faking a smile with the coffee you go  
You tell me your life's been a way off line  
You're falling to pieces everytime  
And I don't need no carryin' on  
Because you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work on a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day  
Well you need a blue sky holliday  
The point is they laugh at what you say  
And I don't need no carryin' on  
You had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work with a smile and go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
(Oh.. holliday..)  
Sometimes the system goes on the blink  
And the whole thing turns out wrong  
You might not make it back and you know  
That you could be well oh that strong  
And I'm not wrong  
So where is the passion when we needed the most  
Oh you and I  
You kick up the leaves and the magic is lost  
'Cause you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work with a smile and you go for a ride  
You had a bad day  
You've seen what you like  
And how does it feel for one more time  
You had a bad day  
You had a bad day  
Had a bad day  
Had a bad day
