

# James Blunt, Butterfly

You're a butterfly  
and you want to be  
in flowers  
and you want to meet  
Dalai lama  
reach nirvana

because I love you love me  
I just want you to be  
in flowers  
with me

I'm A little child  
and I want to be  
held in your arms  
any fool can see  
that it's nothing new  
that I need you

because I love you love me  
I just want you to see  
the little child in me

there's A butterfly that's in my heart  
it lives in me when we're apart  
but preferably you stay with me  
because I love you love me  
I just want you to be the butterfly in me
