

James Blunt, Cuz I Love You

I won't laugh at you when you boo-hoo-hoo cuz I love you
I can turn my back on the things you lack cuz I love you
I just like the things you do,
don't you change the things you do
You get me in a spot and smile you got and I love you
You make me out a clown then you put me down I still love you
I just like the things you do,
don't you change the things you do
When you bite your lip you're gonna flip your flip but I love you
When we're miles apart you still reach my heart how I love you
I just like the things you do,
don't you change the things you do,
I won't laugh at you when you boo-hoo-hoo cuz I love you
I can turn my back on the things you lack cuz I love you
I just like the things you do,
don't you change the things you do
la la laa la la..
