## James Blunt, Cuz I Love You

I won't laugh at you when you boo-hoo-hoo cuz I love you I can turn my back on the things you lack cuz I love you I just like the things you do, don't you change the things you do You get me in a spot and smile you got and I love you You make me out a clown then you put me down I still love you I just like the things you do, don't you change the things you do When you bite your lip you're gonna flip your flip but I love you When we're miles apart you still reach my heart how I love you I just like the things you do, don't you change the things you do, I won't laugh at you when you boo-hoo-hoo cuz I love you I can turn my back on the things you lack cuz I love you I just like the things you do,

don't you change the things you do
