## James Blunt, I'll Be Your Man

So many voices So many noises Invisible wires keeping us apart So many choices But they're all disappointments And they only steal me away from you Climb into our private bubble Let's get into all kinds of trouble

Chorus: Slide over here let your hands feel the way There's no better method to communicate Girl stop your talking Words just get in the way I'll be your man So baby come over From the end of the sofa I'll be your man I'll be your man

So many faces Staring at their shoelaces When all anyone want is to be seen So tonight let's be honest We all want to be wanted And darlin' you've got me wantin' you Everything that I'm trying to say Just sounds like a worn out cliche

Chorus: Slide over here let your hands feel the way There's no better method to communicate Girl stop your talking Words just get in the way I'll be your man So baby come over From the end of the sofa I'll be your man I'll be your man

What are we all looking for? Someone we just can't ignore It's real love dripping from my heart, You've got me tripping What are we all looking for?

Ooooooh....

Chorus: Slide over here let your hands feel the way There's no better method to communicate Girl stop your talking Words just get in the way I'll be your man (Slide over here)

Slide over here let your hands feel the way There's no better method to communicate (slide over here) Girl stop your talking Words just get in the way I'll be your man

So baby come over From the end of the sofa I'll be your man I'll be your man
