

# James Blunt, In Flowers

You're A butterfly  
and you want to be  
in flowers  
and you want to meet  
Dalai lama  
reach nirvana&lt;br&gt;  
because I love you love me  
I just want you to be  
in flowers  
with me&lt;br&gt;  
I'm A little child  
and I want to be  
held in your arms  
any fool can see  
that it's nothing new  
that I need you&lt;br&gt;  
because I love you love me  
I just want you to see  
the little child in me&lt;br&gt;  
there's A butterfly that's in my heart  
it lives in me when we're apart  
but preferably you stay with me  
because I love you love me  
I just want you to be the butterfly in me
