

# James Blunt, Monsters

before the turn off all the lights  
I won't read you your wrongs or your rights  
the time has gone

I'll tell you goodnight  
close the door  
tell you I love you once more  
the time is gone  
so here it is

I am not your son  
you're not my father  
we're just two grown man saying goodbye  
no need to forgive, no need to forgive  
I know your mistakes and you know mine

and while you're sleeping  
I'll try to make your pound  
so, daddy, won't you just close your eyes  
don't be afraid, it's my turn  
to chase the monsters away

well I'll read a story to you  
only difference is this one is true  
this time has gone

I folded your clothes on the chair  
I hope you sleep well  
don't be scared  
the time has gone  
so here it si

I am not your son  
you're not my father  
we're just two grown man saying goodbye  
no need to forgive, no need to forgive  
I know your mistakes and you know mine

and while you're sleeping  
I'll try to make your pound  
so, daddy, won't you just close your eyes  
don't be afraid, it's my turn  
to chase the monsters away

sleep a lifetime  
yes, and breath a last word  
you can feel my hand on your own  
I will be the las one  
so I'll leave a light on  
let there be no darkness in your heart

I am not your son  
you're not my father  
we're just two grown man saying goodbye  
no need to forgive, no need to forgive  
I know your mistakes and you know mine

and while you're sleeping  
I'll try to make your pound  
so, daddy, won't you just close your eyes  
don't be afraid, it's my turn  
to chase the monsters away
