James Blunt, Stay The Night

It's 72 degrees Zero chance of rain It's been a perfect day We're all spinning on our heels So far away from real In California

We watched the sunset from our car We all took it in And by the time that it was dark You and me had something, yeah

(Chorus) And if this is what we've got Then what we've got is gold We're shining bright and I want you I want you to know The morning's on it's way Our friends all say goodbye There's nowhere else to go I hope that you'll stay the night Ooooooh, you'll stay the night Ooooooh, yeah

We've been singing Billie Jean Mixing vodka with caffeine We've got strangers stopping by And though you're out of tune Girl you blow my mind, you do And all I'll say is I don't wanna say good night

There's no quiet corner To get to know each other Then there's no hurry I'm a patient man as you'll discover

(Chorus)

'Cause if this is what we've got Then what we've got is gold We're shining bright and I want you I want you to know The morning's on it's way Our friends all say goodbye There's nowhere else to go I hope that you'll stay the night Ooooooh, you'll stay the night Ooooooh, yeah

Just like the song on our radio set We'll share the shelter of my single bed But it's a different tune that's stuck in my head And it goes...

(Chorus) If this is what we've got Then what we've got is gold We're shining bright and I want you I want you to know The morning's on it's way Our friends all say goodbye There's nowhere else to go I hope that you'll stay the night

If this is what we've got

Then what we've got is gold We're shining bright and I want you I want you to know The morning's on it's way Our friends all say goodbye There's nowhere else to go I hope that you'll stay the night
