

James Blunt, The Greatest

too much to say
too much to lose
I get frustrated thinking
about the world I brought you to
it's a battle of time
that I have with you

but don't decide the how
the when or if we'll make it through
I feel that you deserve a chance
to know the truth and to be better than
the ones who came
before you only to let pride and money weaken them
so be the young
the brave
the powerful
cause we need a soul to save us
need some to be the greatest
so many words
veiling the truth

the others turning and it's time for us to choose
and people will try
to take you down too
but if I was a betting man
i'd put all my money on you
I know that I have nothing left to give
of you to make you better than
the man I failed to be
the friends and father
that I know I should have been
so be the young
