

# James Bonamy, Dog On a Toolbox

(Monty Holmes/Gerry House)

Baby I ain't complainin' so please don't get me wrong  
Sometimes you're like a puzzle with a couple of pieces gone  
It's a mighty wild ride that you've been takin' me on

Sometimes I feel like a dog standin' on a toolbox  
In the back of a pickup truck doin' 90 'round a corner  
Just tryin' to hang on for dear life

When you had to have a little pink house I said OK  
When you pulled your Harley up to a church I just prayed  
My life is like a mobile home in a hurricane

Sometimes I feel like a dog standin' on a toolbox  
In the back of a pickup truck doin' 90 'round a corner  
Just tryin' to hang on for dear life

Hangin' on it's what I live to do  
You know I love this crazy life with you  
Remember when you quit your job to rodeo  
Or the time you jumped on stage to sing with the Rolling Stones  
When you start rockin' I get ready to roll

Sometimes I feel like a dog standin' on a toolbox  
In the back of a pickup truck doin' 90 'round a corner  
Just tryin' to hang on for dear life

Sometimes I feel like a dog standin' on a toolbox  
In the back of a pickup truck doin' 90 'round a corner  
Just tryin' to hang on for dear life
