Oh it's late it's a late it's a late show

I'm afraid of loneliness swallowing me
I'm afraid of loneliness swallowing me

Bow down, bow down with someone
Bow down, bow down with somewhere
It's It's It's better than me
It's It's It's better than me

I'm afraid of loneliness swallowing me
I'm afraid of loneliness swallowing me

Bow down, bow down with somewhere
Bow down, bow down with someone
It's It's It's better than me
It's It's It's better than me

Oh, it's a late show

I'm afraid of loneliness swallowing me
