

James Darren, Dancing In The Dark

Dancing in the dark
'til the tune ends
We're dancing in the dark
and it soon ends
We're waltzing in the wonder of why we're here
Time hurries by, we're here and gone
Looking for the light
of the new love
To brighten up the night, I have you love
And we can face the music together
Dancing in the dark

What those love is old
What thosesong is old
Through them we can be young
Hear this part of mine
Make yours part of mine
Dear one, tell me that we're one

Looking for the light of the new love
To brighten up the night, I have you love
And we can face the music together
Dancing in the dark

Looking for the light of the new love
To brighten up the night, I have you love
And we can face the music together
Dancing in the dark
Dancing in the dark
Dancing in the dark
