

James Darren, You're Nobody 'Til Somebody Loves You

You're a nobody till somebody loves you
You're nobody till somebody cares
Now You may be king, you may possess the world and its gold
But gold won't bring you happiness when you're growin' old
The world still is the same, you'll never change it
As sure as the stars shine above
You're nobody till somebody loves you
So Find yourself somebody to love

Now You're a nobody till somebody loves you
And You're nobody till somebody cares
Now You may be a king, you may possess the whole world and its gold
But gold won't bring you happiness when you're growin' old
Now The world still is the same, you'll never change it
As sure as the stars shine above
You're nobody, till somebody loves you
So find yourself somebody
Get yourself somebody
So find yourself somebody to love

Find yourself somebody
Everybody needs somebody
Get yourself somebody
Somebody to love
