

James Doman, Everything's gonna be alright

The sun is gonna keep on shining
On brighter days, on the horizon
My love for you will keep on rising
Everything's gonna be alright alright alright alright alright alright alright
The sun is gonna keep on shining
On brighter days, on the horizon
My love for you will keep on rising
Everything's gonna be alright
The sun is gonna keep on shining
On brighter days, on the horizon
My love for you will keep on rising
Everything's gonna be alright
The sun is gonna keep on shining
Brighter days, on the horizon
My love for you will always keep on rising
Everything is gonna be alright tonight, oh yeah
My love for you is gonna keep on rising
The sun is gonna keep on shining
On brighter days, on the horizon
My love for you will keep on rising
Everything's gonna be alright alright alright alright alright alright alright
Everything's gonna be alright
The sun is gonna keep on shining
On brighter days, on the horizon
My love for you will keep on rising
Everything's gonna be alright alright
