

James Horner, Remember Me

Remember
I will still be here
As long as you hold me
In your memories

Remember
When your dreams have ended
Time can be transcended
Just remember me

I am the one star that keeps burning so brightly
It is the last light to fade into the rising sun
And with you whenever you tell my story
For I am all I've done

Remember
I will still be here
As long as you hold me
In your memories
Remember me

I am that one voice in the cold wind that whispers
And if you listen you will hear me call across the sky
As long as I still can reach out and touch you
Then I will never die

Remember
I'll never leave you
If you will only
Remember me

Remember
I will still be here
As long as you hold me
In your memories

Remember
When your dreams have ended
Time can be transcended
I live forever

Remember me
Remember me
Remember me
