

James, How Was It For You?

Well they said you are as good as you look but that would be impossible.
For you look better than the face of God on a sunny day.
You look good enough to eat but I've had a bellyful
And now I have this bill I don't wanna pay.

How was it for you. (7 times)

Do you really need that drink to disarm defences.
Can you never face the flak when you're in control.
Well I don't believe my luck I am defenceless.
Do with me what you want but don't tell a soul.
Don't tell my soul.

How was it for you 7 times)

If you ain't out of your head can you ever enjoy yourself.
But if you ain't ni your head then who's at home?
I'm so possessed by sex I could destroy my health.
We could be dancing over coals and we'd never know.
We'd never know.

How was it for you. (7 times)

Where did you get those clothes
Are you sure they're still fashionable?
The sell-by date on the label says says '68.
Where did you steal those riffs and that bad attitude
You are travelling back in time to an altered state.

How was it for you. (7 times)

Was it as good as it was for me
Well that's the best it's ever been
And you're the best I've ever seen

How was it for you

How was it for you
