James Ingram, I Don't Have A Heart

Your face is beaming you say it's 'cause you're dreaming of how good it's going to be you say you've been around and now you've finally found everything you wanted and needed in me i don't have the heart to hurt you it's the last thing i want to do but i don't have the heart to love you not the way you want me to inside i'm dying to see you crying how can i make you understand i care about you, so much about you, baby i'm trying to say this as gently as i can 'cause i don't have the heart to hurt you it's the last thing i want to do but i don't have the heart to love you not the way you want me to you're so trusting and open hoping that love will start but i don't have the heart oh no, i don't have the heart
